INDUSTRIES

ISO 9001:2015
QUALITY POLICY

Shree Ashapura Industry was established in 1990 to provide Fasteners & Machine components to the Lock & Furniture Appliances. Our mission is to contribute to Manufacturing Industries through producing high quality parts.

Quality is important in our business because we value our customers. We strive to improve customer satisfaction through continuous improvement and have established a Quality Management System which provides a framework for measuring and improving our performance.

We have to accomplish this mission constructed on following principles:
Monitoring of Customer Feedback
Selection and performance monitoring of suppliers
Training and development for our employees
Define quality objectives
Management reviews of internal audits, customer complaints
